Dear Mr. Trudeau:

Use of the evaluation report, the report number, and the mark must be in accordance with Section 13.0 of the Rules. Please note that the ICC-ES mark, report number, or name shall not be used in a manner which is misleading, nor shall the mark or name appear on documents that display or indicate products or systems that are not recognized in the evaluation report. All test results noted in your literature where the ICC-ES mark or name appear shall be consistent with the evaluation report. Use of the ICC-ES mark is prohibited in any manner and in any media without authorization from ICC-ES. Failure to comply with ICC-ES Rules of Procedure can result in cancellation of your evaluation report.
